

# VENUE@ FRISCO TOWN CENTER

VENUE@  
FRISCO  
TOWN CENTER

Thank you for inquiring about hosting your wedding or event at Venue @ Frisco Town Center!

Venue @ Frisco Town Center is located in historic downtown Frisco in the heart of what's to become The Rail District's East Pipeline, adjacent to The Patios @ The Rail, a three-story building with retail, office, restaurants, two rooftop patios and a rooftop park.

Our event venue offers breathtaking landscapes, both in and outdoor that create the perfect backdrop for your wedding or event. Besides taking advantage of our secret gardens and natural beauty, the event venue features a covered amphitheater-style ceremony area seating 100 – 125 guests, crystal chandeliers hanging throughout, boasts a creek with bridges, an elegant fire pit, and a fireplace on the buffet terrace. The grounds provide ample lighting at night so feel free to set up any corner of our event center and transform each area into a vision of its own.

Included in the venue rental is your choice of rectangular or round dining tables, 100 folding chairs, white floor length table linens along with high cocktail tables, sign in and cake tables. Since our event venue is full-service, we can provide you with all the formal dishware, flatware, and glasswares needed for your wedding or event. There is no Food & Beverage minimum.
